How We Will Calculate Your Balance: We use a method called “Average Daily Balance” (including new transactions). Please refer to your Cardholder Agreement for details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Cardholder Agreement.

Cardholder Agreement: For additional information about the costs and terms of your Card see the Cardholder Agreement. The Cardholder Agreement will be governed by Missouri and applicable federal law. The Cardholder Agreement permits us to change the terms of your Account, including the rates, fees, and other credit terms, subject to us providing advance notice to you if required by law.

How Variable Interest Rates Are Determined: Variable APRs are based on the 7.25% Prime Rate as of October 1, 2025. We add 11.74% to 21.74% (the "Margin") to the Prime Rate, based on your creditworthiness, to determine the Purchase and Balance Transfer APR. Your APRs will vary with the market based on the Prime Rate; however in each case it will not exceed 29.99% (Daily Periodic Rate of 0.0822%). The Prime Rate used to determine the APR on your Account is the U.S. Prime Rate published in The Wall Street Journal in its column called "Money Rates" on the last business day of each month. The Cash Advance APR is fixed and will not vary based on Prime Rate. To determine the Daily Periodic Rate, we divide the applicable APR by 365 (during leap years we divide the APR by 366).

Balance Transfer Details: Balance Transfers may only be made from an existing credit card account with another institution. If you want to close that other credit card account, you must notify the card issuer directly. Stifel Bank will make Balance Transfers up to the amount of your credit limit, which will be established at account opening. If you make requests for Balance Transfers that exceed your credit limit, Stifel Bank may at its discretion determine which transfers will be made and which will not. To assure your non-Stifel Bank accounts remain in good standing, please continue to pay those accounts as required. Upon approval, we will notify you regarding the Balance Transfer check(s) mailed on your behalf. It can take up to 30 days for a Balance Transfer to post on the other account.

Application Authorization: By making this application, you authorize Stifel Bank to make whatever credit inquiries that we deem necessary in connection with this credit application. You also authorize Stifel Bank to obtain your credit reports for any legitimate purpose associated with credit application or request for an Account, or the related Account, including, but not limited to, now or in the future, reviewing, updating, modifying, renewing, extending or collecting your Account. You authorize and instruct any person or consumer reporting agency to complete and furnish us any information they may have or obtain in response to such credit inquiries and agree that such information, along with this application, shall remain our property whether or not credit is extended.

One or more consumer reports may be requested in connection with your application. Upon your request, you will be informed whether or not a credit report was requested, and, if so, the name and address of each agency that provided a credit report.

You certify that all the information provided in your application is correct and that you are 18 years of age or older. You agree to pay all charges on the requested Account when due. For joint credit accounts, you are responsible, both together and individually, for the entire Account balance even though only one of you uses the Account.

Cash Back Program: You will earn Cash Back on your Purchases subject to the limitations and conditions provided herein. The Cash Back amount is measured as a percentage of the net value of your Purchases (i.e., the amount of the Purchases posted in the statement cycle less any credits or returns). For each billing cycle, your Cash Back amount will be 1.5% for the first \$500 of your net Purchases, and 1% for all other net Purchases during the applicable billing cycle. There is no maximum dollar limitation on your Cash Back. Cash back earned during each statement cycle will be directly credited to the credit card account. The cash back amount will show on your statement as a rebate credit. Rebate credits are not considered payments and will not substitute for the minimum payment. You will not earn Cash Back: (i) on Cash Advances or Balance Transfers; (ii) if you have exceeded your Credit Limit or for a Purchase that would result in your Credit Limit being exceeded; (iii) if your Account is past due; (iv) for any Purchase that is determined to be fraudulent or initiated by any person other than an Authorized User; or (v) for any Purchase made for a business or commercial purpose. Provided that your Account remains active and you remain eligible to earn Cash Back pursuant to the terms set forth herein, your Cash Back will not expire. However, if you voluntarily close your Account or your Account is in default or otherwise terminated by us pursuant to the terms of the Cardholder Agreement as permitted by applicable law, any unredeemed Cash Back is subject to immediate forfeiture unless redemption of your Cash Back is specifically authorized by us in our sole discretion. We reserve the right to modify the Cash Back amount or discontinue the Cash Back program at any time without notice to you unless required by applicable law.
